

Thanksgiving Alcathon

Noon Wednesday – Midnight Thanksgiving Day 2020

The Alcathon will run for 36 hours, from 12:00 noon, Wednesday, November 25, to 12:00 midnight on Thursday, November 26 entirely on Zoom.

What's new in this year's format due to COVID-19?

- The meeting is available for the entire 36 hours—log in any time.
- Speakers for 12 hours both days in 1-hour slots starting at noon.
- Notify the Alcathon Committee as soon as possible if your group wishes to provide a commitment. Email your group name, contact person and contact information to alcathon@aaworcester.org
- **October 10th** is the deadline for groups to request the Thanksgiving Alcathon commitment slots.
- Zoom hosts in 2-hour shifts will assist incoming groups and facilitate the changeover to the next host.
- We need hosts! Please email your contact information to the Alcathon Committee: Name (first name and last name initial), phone number and email address to alcathon@aaworcester.org
- Training will be available for hosts so they are familiar with Zoom procedures and the Alcathon format.

Please be assured that your Alcathon Committee is working hard to make this new format successful. Also remember we are treading new ground in this endeavor.
